

NAME: CHUA ANN ANN

N & N Farm Sdn Bhd, Kuching

Chua Ann Ann is the Managing Director of N & N Farm Sdn Bhd and has over 4 years of experience in Organic Farming. She holds a Bachelor of Science Degree in Microbiology and Post Graduate Diploma in Management from the University of Canterbury, New Zealand (2001). She has worked in a Medical Laboratory during a brief working stint in New Zealand (2000) and has had some experience with Plant Tissue Culture. Upon returning to Kuching, she has chosen to be involved in Organic Farming. A member of Kuching Farmers' Association (PPK), she works closely with the local agriculture research officers and authorities in order to ensure ongoing research and developments in organic agricultural practices. Recently (2007), Miss Chua initiated a Dialog Group for the companies around Kuching that are striving to practice Organic Farming.
