

NAME : STEPHEN PETERSEN

Introduction

Stephen Petersen has spent the last 12 years traveling and consulting on bee development projects from Africa to SE Asia. He spends the summers in Alaska with his own bee business (25 years experience) and, escaping the cold and dark, travels to warmer climes in winter pursuing his love of bees and their role in development projects. He has been involved in development projects in Lao, Cambodia, Malaysia, Myanmar, Thailand, Rwanda and Uganda plus observed in many other countries.
