

Short Introduction for Organic Asia

**Mr. YOU WENPENG,
Manager at Intl Business of OFDC**

Mr. You Wenpeng was born in Jiangsu China. He got his Master of Science in 2000. In same year, he joined Organic Food Development Center (OFDC) of Ministry of Environment Protection. He has been focusing on organic inspection and certification business, but he still spared much time hard on participating in several key organic projects ever since he worked for OFDC. You Wenpeng also worked in IFOAM as an OGS fellow over half year in 2007. So You Wenpeng has not only acquired much practical experience in organic inspection and certification depending on his long front experience, but also reached a high level of theory at international regulation harmonization and equivalency.

Mr. You Wenpeng also does lots of research on Forest Stewardship Council (FSC), Global Organic Textile Standards and Good Agriculture Practice (GAP).
